The story is based on a tragic event that occurred in the Lands Between. The Lands Between was once a place where spiritual energy existed and the power of an Ancient One and the great warriors who shared it existed, but it was forcibly separated from the World and hidden away. Thousands of years later, the Lands Between was returned to its original state, and when the mythos was revived, the spirit of the Ancient One was reborn. During this time, the Birth of Tarnished, a warrior who descended from the Ancient One, appears. Abalone Mascots who are Spiritual Friends: -The Birth of Tarnished is a reincarnation of a warrior who passed on his power of the Ancient One to his descendants, and all Elden lords represent this phenomenon. -To become a Tarnished lord, you must select from one of his descendants to become an attendant. -Upon becoming an attendant, there is no way to return to Tarnished lordship; however, if the summons comes again, it will ask for your service. Additional Storyline: -To become a Tarnished lord, you must choose to become an attendant at first. -Depending on the type of battle, a Tarnished lord will change their armor and weapons to conduct battle. -There are three types of Tarnished lords: a Standard, a Great, and a Thaumaturge. Choose a suitable Tarnished lord for your play style. -Only thaumaturge and Great Tarnished lords can generate thaumaturgy. -When you recruit a vassal, the servant can be of one of the three classes: a Warrior, a Mage, or a Special, but they are not related to your story. -A Tarnished lord has the objective of becoming the ruler of the Lands Between and will guide the character to achieve this goal. GAME FEATURES: (Online Co-op Multiplayer) -Immerse yourself in the Lands Between. -Play as a Tarnished lord on a quest to become an Elden lord in the Lands Between. -Connect with other players and travel together with them. -Online play is not supported for single player mode. How To Crack:

Click "Install" button.
Wait 5 to 10 seconds.
Run the crack and then wait for it to complete.

r installation is complete the main menu will open. Click Games and then Custom. A new window will open with a bunch of settings. Sort the settings by placing the "Ace" icon next to each item and then ct the "Skin" icon. Select "New" to create a new skin. Name the skin "Elden Ring" and then select "Ok". "Ok".

e the Custom window, close the skin settings window, close the main menu and the cracks window.

urn to the Cracks option and double-click "AutoEqualizer"

n the installation begins it will be asking you if you want to download any of the codec packages. Say "No" if you do not want them. If you want to do not be in hurry, though, as downloading all the codecs take a while.

you need to select one of the two available places to install the crack. It will take time to search the Internet for a codec installer for your operating system, that is why you should only wait a few seconds re choosing the second option. Elden Ring can detect when your operating system is "not supported", and it will stop at that point.

crack installation screen will pop up with a message informing you that the crack is downloading the necessary codecs.

can close the crack installation screen and keep watching the presentation. When the download is finished, the crack will complete.

r the crack is done, close the crack installer and set Elden Ring as the active skin again.

's it, feel free to install other skins...
