This is the upcoming song by the very famous music director.Song Title: Maruti Car Track. Play, Download, Set. Download.Q: Smooth Terrain using high resolution texture I want to make a terrain. But it should be realistic and smooth at least when i look at it from far away. I already tried to use high resolution texture, in some cases it seems to do the trick, but in my case it is not sufficient. What am i doing wrong? It is a simple terrain using vertices, normals and facedata of a 6d1f23a050
